

Silicon Valley's #1 Kids Coding Program

the **coderschool**  
learn to code. change the world.®

**JOIN OUR NEW CODE CLUBS!**

**3:20pm Every Tues Jan 20 - Mar 17**

**Elementary Grades 2-5  
Middle Schoolers 6-8**

**\$155 for 7 weeks**

**Turn screen time into skill time!**

Intro Coding Club (2nd–5th) uses game projects and hands-on activities to teach coding, while 6th–8th graders level up with Python, a text-based language used across tech, building critical thinking and real-world projects. Both classes are hands-on and seriously fun!
