

CODING

GRADES 2-6 AT GCA By All Around Learning Center

Would your child like to create an interactive computer game, or get an introduction to coding, or program a robot to do fun tasks? This is the club for all the above.

The class is divided into three segments:

- + Programming and computer game design using KoduGamelab by Microsoft
- + Introductory coding by Scratch
- + Introduction to programming of Lego Mindstorms Robots using LabView

The program allows students to work at their age and skill level, therefore both new and returning students are welcome.

TIME: Thursdays 3:20- 4:20 pm

DATES: Aug 27 - Nov 19, 2026

COST: \$245 for Fall Semester

(No clubs on school holidays and early release days)

How to Register?

To register visit our website at www.allaroundmath.com select Grace Christian Academy After School Clubs in the After School Programs dropdown menu.
